

Endoscopic Endonasal Pituitary Surgery (basic course)

UNIVERSITÀ DEGLI STUDI DI NAPOLI
FEDERICO II

February 21, 2012
Napoli, ITALY

Featuring:

- **Lectures**
- **Live Surgical Demonstrations**
Pituitary Adenomas
Non-Adenomatous Sellar Lesions
- **Surgical Simulator Hands-on**

Program Highlights:

Anatomy
Surgical Technique
Instruments
Neuroendocrinology
Reconstruction Techniques
Complications
Tips & Tricks
Case Discussion

Course Directors:

Paolo Cappabianca
Luigi M. Cavallo

Guest Faculty:

Giulio Maira

Local Faculty

Annamaria Colao
Oreste de Divitiis
Marialaura Del Basso De Caro
Matteo G. de Notaris
Felice Esposito
Domenico Solari
Vita Stagno

Course Description

This workshop is intended to teach how to perform endoscopic pituitary surgery, by means of lectures, live surgery demonstrations and hands-on. The faculty and the trainees will exchange experiences and questions during a one-day full immersion with the Naples School.

Registration fee is €500.00. Twenty attendees will be enrolled.

Course will be held on-site at the Department of Neurosurgery of the Federico II University Hospital.

Under the auspices of:
WFNS, SINch, ISPS, UNINA, ANEMA

anema

9.00 am Registration

9.15 am Welcome and introduction

9.30 am *Special lecture*: Surgical approaches to the sellar-suprasellar region. (G. Maira)

10.00 am Endoscopic anatomy of the endonasal approach to the sellar region. (M. de Notaris)

10.15 am Endoscopic endonasal approach to pituitary adenomas (P. Cappabianca)

10.30 am *Live surgery (1st patient)*. Coffee break will be available

12.00 pm Instruments for the endoscopic approach (D. Solari)

12.15 pm Peri-operative management of patients with pituitary adenoma (A. Colao)

12.30 pm Surgical complications of the endoscopic transsphenoidal approach (O. de Divitiis)

12.45 pm The endoscopic endonasal approach for non adenomatous sellar lesions (F. Esposito)

1.00 pm Reconstruction of the sella after transsphenoidal surgery (V. Stagno)

1.15 pm 2nd *Live surgery*. Lunch will be available

3.00 pm Video on endoscopic endonasal dissection: tips and tricks (L.M. Cavallo)

3.15 pm *Hands-on session on plastic model*. How to reach the sella

4.45 pm Discussion on selected clinical cases

6.00 pm *Adjourn*
